

**BOOK SUMMARY OF *Make Every Man Want You*  
By Marie Forleo**

*Make Every Man Want You* will show any woman how to be sexier, happier and healthier in her relationships and her life.

Did you know that most women have no idea that many of their normal and traditional ways of relating damage their ability to have satisfying relationships with men – and with themselves?

In this entertaining and enlivening guide, readers discover how to break free from old conditioning, dissolve habitual behaviors that wreak havoc on relationship bliss, and unleash their authentic irresistibility once and for all.

\*If **you're not meeting the men you want**, this book will show you why and what you can do to turn things around right now.

\*If **you're stuck in bad relationship patterns** and want to stop the insanity, this book will set you straight. (can I get a Hallelujah?)

\*If **you're already in a relationship, but can't seem to hold his interest**, this book will reveal your personal path to keep him wanting more, more, more!

***Make Every Man Want You* is a one-stop shop for women who want to be truly irresistible – inside and out – and experience a life bursting with fun, self-confidence and well-being.**

Readers discover a little-known approach to quickly dissolve recurring relationship problems and discover countless mischief-making mindsets that destroy otherwise healthy relationships.

Women are encouraged to ditch “the rules” and “burn their perfect man checklists” and “drop their drama” in exchange for a lively and proactive approach to dating and relationships based in spiritual truth, candid self-awareness and personal responsibility.

Author Marie Forleo, has a fresh perspective that goes against the grain of today's popular manipulation style dating methods.

"Trying to manipulate yourself, or someone you're with, into a long-term relationship using 'rules' or 'techniques' quite frankly, sucks." Forleo insists.

"Eventually, any woman who's interested in having true love needs to learn how to relate to herself, and others, in a honest, straightforward and compassionate way."

*Make Every Man Want You* encourages a spiritual solution that includes recognizing a relationship doesn't fix or complete your life.

"Understanding this truth is actually the key to having relationships work in the long run," she explains.

Rich with common sense and timeless wisdom, *Make Every Man Want You* has rhyme and reason. There are very clear do's and don'ts which help women of every age build genuine sex-appeal while radically transforming their overall quality of life.

Sprinkled with inspirational quotes, laugh out loud quips, Irresistible Action Challenges and personal anecdotes, *Make Every Man Want You* is a quick and enlightening read.

It includes references and recommended resources as well as a quick-witted FAQ chapter of "21 Answers to Your Most Burning Dating Dilemmas."
